

YES AWARENESS Weekend

SATURDAY

September 28

Host a World Party!

A WORLD PARTY is a beautiful way to bring all the people of a community together. It's a gathering at a designated outdoor place in your city with heavy foot traffic and activity. Participants prepare signs with inspiring messages and uplifting gifts to give to anyone that walks by or joins the party! It creates opportunities that break down walls that divide us, radiating joy to anyone and everyone.

SUNDAY

September 29

Share YES with your Parish!

Designate a YES participant to speak to your parish about their experience, and invite your parishioners to give a gift to YES. All donations will go directly towards making YES trips happen!

Email Katrina Bitar with questions: kbitar@focusna.org.
