

20 Years of YES Conference Sponsorship Opportunities

ABOUT US

YES (Youth Equipped to Serve) is a program of FOCUS North America. Our mission is to create formative opportunities that equip participants to serve each person as the image of Christ. We do this by providing experiential days of service learning, online educational series, an internship experience, local initiatives for parishes, and much more. We are celebrating 20 Years of the YES program this year by hosting a weekend-long conference in Austin, TX. We hope to come together with new and old friends from across the country to have fellowship, and to learn about Overcoming the Obstacles to Service at our workshops. We are an organization committed to equipping our youth to serve each other and to serve their broader communities in the ways they feel called.

AS A SPONSOR FOR THE CONFERENCE, YOU WILL BE SUPPORTING YES BY:

- Providing for young adults who need financial assistance to attend
- Contributing to the conference outreach efforts in Austin
- Making current YES Programs possible and creating new ones
