

THE YES INTERNSHIP EXPERIENCE

Month 1: Value: Reflection

Who are you in Christ?

- Exploring your own strengths and skills
- Reflecting on your past experiences
- Reflecting on your identity as a child of God, and as someone God trusts to do something meaningful in the world
- Identifying needs in your parish/community that call specifically to your heart
- SET COMMUNITY GOAL. Each intern will choose their own GOAL for community engagement. The GOAL will be inspired by one of the YES Values: Community, Unconditional Love, Empowerment

Month 2: Voice: Preparation

What preparation must you do in order to best serve?

- What elements of service come most naturally to you?
- How do you hone the skills you already have, and develop new ones?
- How can you be a better speaker, facilitator, listener, mobilizer, etc.
- What do you need to be able to do in order to meet the need you previously identified?
- GOAL is in progress

Month 3: Vocation: Action

Let's get to work!

- Practically meeting the need!
- GOAL is being met/strived toward
- Action-based community engagement
- Reflection and vision moving forward
- Look back the entirety of the experience
- Reflect on the fruit of the work that was done, both inwardly and on the community
- Put tangible steps in place to apply the experience to both vocation and daily life
